

SALUTE

zero four

Welcome to SALUTE ZERO FOUR. This is the thirty second year the South London Warlords have organised their Open Day, in London, and it has evolved from small beginnings to the major UK event you see today. This has to be down to the continued support, and growth, of wargames traders, clubs and gamers who have attended over the years, and we thank you for that.

This year we have extended our games award categories to acknowledge creativity, innovation and that "WOW" factor we all look for to inspire us to bigger, better and newer ventures. This will be reflected by the independent judges, volunteered by visiting clubs, who will be roaming the halls throughout the day.

The Painting Competition also two new categories: the first is a Paint the Salute Figure (last year's, obviously) so if you wondered what to do with the model of Richard from Salute Zero Three, now's your chance to win a £50 Salute Cash Voucher plus a paints pack from Magister Militum and a Medieval Starter Pack from Pireme Publishing. In addition, newly introduced is a Junior (under 16) category this year to support, and

encourage, new wargamers who are just starting down a road some of us set foot upon many years ago. The Warlords have always tried to promote new growth within the hobby, and consider ourselves a very broad church of wargames styles and interests.

We are, again, giving you all the opportunity to win the "SALUTE Cheque Book" worth £500 of Salute Cash Vouchers, so please fill in your questionnaire in your carrier bag and hand it into the Information Stand. These forms are read by us, and are used to adapt SALUTE to the show you want – and you could go home with a bigger bag than you expected!

Finally I would like to thank the committee and members of the South London Warlords for all the hard work they have put into today. Our aim is to provide the best Wargames show in town, and without all their efforts this would not be it.

So please enjoy the day, meet friends, have a game, buy figures, ask questions, try new rules... that's why we wargame!

Ian Spence
Club President

How to get to Salute Zero Four

Getting to Salute Zero Four should be fairly straight forward. If you're coming by road, Olympia is close to the M3, M4 and M40 and you can book a parking space at the Olympia car park - call **0800 0568 444** between 9am and 4.30pm. This is a good idea as the car park does fill up... There are, of course, extensive rail and tube links.

More dice and stuff!

By popular demand, The Warlords have produced a special regular, six sided dice for a change! At Salute Zero Four you'll get one free in your carrier bag at the door however, more will be available -

while stocks last - from the Warlords Information stand (W109) along with other memorabilia: mugs, tee shirts, baseball caps and a limited range of stuff from previous years (like funky dice!)

The Warlords is...

A lively, friendly wargaming club catering for all aspects of wargaming from historical to Warhammer to sci-fi to the downright bizarre!

While some members are trying out new rules and periods others will be organising campaigns, tournaments or making more great club scenery! The last Monday of each month sees a mass participation game which provides a great chance to join in, meet new people and try out the club - new members are always welcome!

The club also has a strong reputation for running demonstration games and hosting a show - Salute!! Why not come along to St

Barnabas Parish Hall, Dulwich Village, London between 7:30 and 10pm on Mondays?
